# vetscan HUB

## Your in-clinic lab bench experience manager

Streamline your diagnostic workflow, creating more time for patient care

## Coordinate your data, devices and diagnostic insights – all from a single, user-friendly screen.

Vetscan Hub™ seamlessly integrates your Practice Information Management Software (PIMS), point-of-care analyzers, and the Zoetis Virtual Laboratory.

Easy-to-operate. Effortlessly efficient. The Hub gives you the time, confidence and control to elevate your care.

### TESTS ORDERED

#### Never miss a test

Tests ordered in your PIMS appear instantly on the Hub. The Hub then displays the results and shares them back to your PIMS for an effortless workflow.

### TESTS RUN

#### Enhance focus

Efficiently manage multiple analyzers and coordinate tests from an intuitive touchscreen — freeing up more time to spend with your patients.

### RESULTS REVIEWED

#### Remain connected

The Hub synchronizes results with your PIMS and connects your in-clinic workflow to the Virtual Laboratory ecosystem through ZoetisDx.com.
